SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We are pleased to report all students in all subgroups made adequate yearly progress for the '08-'09 school year. During the '09-'10 school year, we have continued to celebrate student gains. Measures of Academic Progress (MAP) scores have increased from fall to winter to spring. Likewise, gains have occurred for the majority of children in grades K-6 on DIBELS (Dynamic Indicators of Basic Early Literacy Skills). Children are scoring benchmark (on grade level) and strategic (needing some intervention). The District's implementation of Voyager, an intervention program in reading and mathematics, has delivered positive results. Young students are moving confidently and steadily through Headsprout, a computer-based program that reflects scientific research with an abundance of instructional strategies in phonemic awareness, phonics, fluency, and vocabulary. First grade students needing additional reading assistance participate in Reading Recovery, a one-to-one session, daily for 18 weeks to learn various reading strategies they can transfer to their reading in the classroom. Older students work on Study Island, another computer-based instructional program addressing individual student needs in reading, mathematics, social studies, and science. Numerous students have far exceeded the District's 25 Book Campaign. They have received medals and shirts for reading 25, 50, and 75 books. Two students have read 100 books and received a \$25 gift card to Barnes and Noble.

Office discipline referrals have decreased, as have suspensions, in our second year of Positive Behavior Intervention and Support (PBIS). We were named a banner school for our improvement in the early years of this strategy. Our student oath supports this daily, as students pledge daily "I am here to achieve. I will be respectful, safe, responsible, and well prepared. At Jane Edwards failure is NOT an option." We firmly believe in each component of our oath. When behavior is in place, teachers have more time to teach and students have more opportunities to learn. Additional support from our mental health counselor from the Department of Mental Health and our Student Support Specialist from Communities in Schools provides many children and their families with additional help with life skills and study skills that enhance the learning process. Our wonderful volunteers also support our students and teachers in the teaching/learning process. Our PTA and SIC continue to look for and to provide ways parents can increase their involvement in their child's educational experience. We have had a great year, with many successes thanks to our students, their families, our outstanding teachers and staff, dedicated volunteers, and our additional support personnel. Thank you to all!!
